The City participates in the CalPERS Health Benefit Program, with the “unequal contribution option” at the CalPERS minimum contribution rate, which is annually adjusted based on the rules outlined by California Public Employees Retirement Law, § 22892. In accordance with California Public Employees Retirement Law, § 22892, the City’s minimum contribution toward retirees shall be increased annually until such time as the contribution for active employees and retirees are equal.

The CalPERS Health Program plan year is from January 1 through December 31. Premiums will be deducted the month in advance consistent with the existing health insurance plan.

Regular status part-time employees (“job share”) will receive a prorated share of the City’s contribution. For example, a 20-hour per week employee enrolling in one-party coverage during calendar year 2014 will receive \$119.00 direct health contribution and a prorated flexible credit (50% of full-time benefit allocation less \$119.00 = 20 hour/week employee flexible credit) for the composite health and vision hardware insurance.

- 6-2 Flexible Benefit Plan:** The City will contribute a benefit amount as identified in Section 1 of this Article. As determined by California Public Employees Retirement Law, § 22892, a portion of the City's benefit contribution will be a direct City health contribution and the balance is a flexible credit allocation. The flexible credit amount will be used within a flexible benefit ("cafeteria") plan in which employees will enroll. Employees will pay a monthly processing fee for the cafeteria plan administrator's services. An additional fee will be charged to that employee who also elects to have a medical reimbursement account or a dependent care reimbursement amount. Increases in such fees shall be the employee's responsibility.
- 6-3 COBRA:** The City will provide optional continuation of health insurance benefits to eligible employees separating from City service according to the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA).
- 6-4 Leave of Absence and Insurance Coverage:** Employees on a leave of absence without pay due to a work related injury or illness will have their health insurance premiums paid subject to the following:
- a. During the first three (3) months, the City will pay 100 % of the City group health insurance premium.
 - b. During months four (4) through six (6), the City will pay 50% of the City group health insurance premium and the employee will pay 50%.
 - c. During the seventh month and thereafter, the employee will pay 100% of the City group health insurance premium.
 - d. Employees who are also entitled to continued group health insurance based on their eligibility for the Family and Medical Leave Act for 12 weeks will have their coverage requirement met by the City contribution as identified in (a) of this section.
 - e. The City will continue to provide dental and employee assistance program premiums contributions at the active employee rate for current level of coverage when the employee meets eligibility criteria for the Federal Family Medical Leave Act.
 - f. Employees on a leave of absence without pay due to a non-job related illness or injury, who meet eligibility criteria under the Federal Family Leave Act will continue to have their health, dental and employee assistance premiums paid by the City at the active employee rate for 12 weeks or three months, whichever is greater. This benefit may be used

once every 12 months measured forward from the date leave is first used. The employee must have completed a minimum of one-year of regular status service and 1,250 hours the preceding year to qualify.

6-5 Retiree Coverage: The City will offer extended health insurance coverage to retirees who meet the current eligibility standard. City participation towards the cost of the coverage will be computed based upon the following formula:

PERCENTAGE	YEARS OF SERVICE
50.0%	15
52.5%	16
55.0%	17
57.5%	18
60.0%	19
62.5%	20
65.0%	21
67.5%	22
70.0%	23
72.5%	24
75.0%	25

The amount of City participation will be based upon the insurance rates of the City's primary health provider.

Retirees who meet current MOU eligibility standards for City health contribution (retired after December 15, 1990 at least 50 years of age for all bargaining unit members) shall be eligible to receive a benefit contribution under the PERS Health Program until age 65. Such retirees shall receive a 50% contribution with 15 years of service, increasing by two and one-half percent (2½%) for each year of service up to the maximum 75% contribution at 25 years (as detailed above). In converting to the PERS Health Program, the benefit contribution will be based on the primary health plan. The City participates in the PERS Health Benefit Program, with the "unequal contribution option" establishing a minimum monthly employer contribution in a lesser amount for retirees than for active employees as defined by California Public Employees Retirement Law, § 22892(c). The City will provide the minimum monthly employer direct health insurance contribution and the balance will be in a flexible credit allocation in a flexible benefit plan. The amount of the direct health insurance contribution will increase annually according to California Public Employees Retirement Law, § 22892(c) until reaching the active employee direct contribution equivalent. The flexible credit

allocation will be adjusted to provide a total contribution not to exceed the contribution specified in the MOU. Retirees will pay a monthly processing fee for the flexible benefit administration. For those who also wish to elect a medical reimbursement account, a monthly processing fee is also charged. In lieu of a vision hardware benefit, the City will contribute \$16 after age 65 to a Medicare managed care plan or Medicare supplement.

Current standards for eligibility for retiree health benefits are as follows:

- a. Employees must be covered by the City group health insurance program at the time of retirement.
- b. Employees must have a minimum of ten consecutive years of full-time permanent service with the City of Lompoc and are at least 50 years of age.
- c. Employees eligible for a PERS Disability Retirement with a minimum of 20 consecutive years of full-time permanent service with the City of Lompoc, regardless of age.
- d. Benefits will be as similar as possible to those offered under the active employee plan.
- e. In the event of the death of a retired City employee who is covered under this program, any dependent will be allowed to continue existing coverage for 18 months at the group rate.
- f. Coverage for retired employees and dependent will cease when the following occurs: Age 65, or when the employee or dependent becomes eligible for Medicare, whichever occurs first.
- g. If a retired employee is ineligible for Medicare benefits because the City of Lompoc did not participate in the Social Security system, the retired employee will be removed from the City health plan at age 65 and he/she will be reimbursed for the cost of part A Medicare premiums.

6-6 Long-Term Disability Insurance: The City will provide coverage with a maximum monthly benefit to \$3,000 per month based on maximum insured salary of \$4,500 per month.

6-7 Flexible Spending Account: The City will provide a Flexible Spending Account program (tax deferred employee contribution that can be applied to specific expenses, e.g. child care and dependent orthodontic work).

- 6-8 Life Insurance:** The City will provide bargaining unit members with life insurance benefits to a maximum of one times annual salary.
- 6-9 Selection of Health and Dental Carriers:** The City will notify and discuss with the Union prior to the selection of health and dental carriers; however, the City reserves its right to select the provider of health insurance and dental insurance during the term of this MOU.

ARTICLE 7

HOURS AND OVERTIME

- 7-1 Compressed Work Schedule and Overtime:** Overtime is defined in the applicable compressed work schedule agreement for the designated LPOA classification. Current agreements for such work schedules are incorporated in Appendix A. Discipline involving suspensions will be based on an eight (8) hour equivalent workday. Vacation, holidays, sick leave, IOD and compensatory time off shall be considered time worked for the purpose of computing overtime. Overtime shall be compensated in cash at time and one-half the employee's regular rate of pay or in time off compensated at time and one-half.
- 7-2 Overtime Accrual:** If an employee accrues in excess of the 80 hour overtime accrual limit he/she will, within the pay period following the pay period in which the hours in excess of 80 have been accrued, attempt to schedule and take leave time sufficient to reduce the balance to or below 65 hours. The scheduling of such leave shall require Departmental approval. If the employee is unable to schedule leave time sufficient to reduce his/her balance to 80 or less hours, the Department may, in the next payroll period, with 5 days notice to the employee, schedule leave time for the employee. In the event the employee is unable to schedule leave time and the Department is unable to schedule leave time sufficient to reduce the employee's balance to or below 80 accrued hours, then the employee shall be paid for hours in excess of 80.
- 7-3 ATO Yearly Pay-Off:** Employees may be paid for a maximum of forty (40) hours of accrued compensatory time off by providing notice to the Human Resources Office on a form provided by the City for this purpose. Compensation shall be determined by multiplying the number of hours for which compensation is requested by the employee's regular rate of pay. The required notice by the employee must be given between October 15 and October 31 of each year and will be paid on the second payday in November.

- 7-4 Overtime Meals:** Individuals will be eligible for a \$9.00 (nine dollar) meal allowance, and \$1.35 (one dollar thirty-five cents) for the tip, when working extended overtime of two (2) hours or more when the following criteria is met: Individuals were notified of the need to work beyond their regularly scheduled shift less than 8 hours before the beginning of the shift. ARTICLE 17

GRIEVANCE PROCEDURE

17-1 Purpose of Rule:

- a. To promote improved employer-employee relations by establishing grievance procedures on all matters whether or not appeal or hearing is provided by other regulations.
- b. To afford employees individually or through qualified employee organizations a systematic means of obtaining further considerations of problems after every reasonable effort has failed to resolve them through discussion.
- c. To provide that grievances shall be settled as near as possible to the point of origin.
- d. To provide that appeals shall be conducted as informally as possible.

17-2 Matters Subject to Grievance Procedures: Any employee in the competitive service shall have the right to a conference under this rule, on any matter affecting his employment over which his appointing power has partial or complete jurisdiction.

17-3 Informal Grievance Procedures: An employee who has a problem or complaint should first try to get it settled through discussion with his immediate superior without undue delay. Such discussion shall be initiated within fifteen (15) calendar days from the date of the incident complained of, or within fifteen (15) calendar days from the date of which the employee became aware of the incident, whichever is later. If, after this discussion, he does not believe the problem has been satisfactorily resolved, he shall have the right to discuss it with his supervisor's immediate superior, if any, in the administrative service. Every effort should be made to find an acceptable solution by informal means at the lowest possible level of supervision. If the employee is not in agreement with the decision reached by discussion, he shall have the right to file a formal

appeal in writing ten (10) calendar days after receiving the informal decision of his immediate superior. The informal discussion shall not be taken above the department head.

17-4 Formal Grievance Procedure:

- a. **First Level of Review:** The grievance shall be presented in writing to the employee's immediate supervisor, who shall render his decision and comments in writing and return them to the employee within ten (10) calendar days after receiving the appeal. If the employee does not agree with his supervisor's decision, or if no answer has been received within ten (10) calendar days, the employee may present the grievance in writing to his department head. Failure of the employee to take further action within ten (10) calendar days after receipt of the written decision of his supervisor, or within a total of 25 calendar days if no decision is rendered, will constitute a dropping of the grievance.
- b. **Department Review:** The department head receiving the grievance should discuss the grievance with the employee, his representative, if any, and with other appropriate persons. The department head shall render his decision and comments in writing, and return to the employee within ten (10) calendar days after receiving the grievance.

If the employee does not agree with the decision reached, or if no answer has been received within ten (10) calendar days after receipt of the decision, or within a total of 25 calendar days if no decision is rendered, will constitute a dropping of the grievance.

- c. **City Administrator Review:** The City Administrator receiving the grievance or his designated representative shall discuss the grievance with the employee, his representative, if any, and with other appropriate persons. If the City Administrator fails to render a decision to the satisfaction of the aggrieved, a fact-finding committee may be appointed. The committee shall be comprised of a representative appointed by the City Administrator, a representative appointed by the aggrieved, and a third member appointed by mutual agreement of the other two. The fact-finding committee shall render a recommendation on the grievance to the aggrieved and the City Administrator within (20) calendar days. The City Administrator shall render a decision and comments in writing, and return them to the employee within fifteen (15) calendar days after receiving the recommendations of the fact-finding committee.

17-5 Conduct of Grievance Procedure:

- a. The time limits specified above may be extended to a definite date by mutual agreement of the employee and the reviewer concerned.
- b. The employee may request the assistance of another person of his own choosing in preparing and presenting his appeal at any level of review.
- c. The employee and his representative may be privileged to use a reasonable amount of work time as determined by the appropriate department head in conferring about and presenting the appeal.
- d. Employees shall be assured freedom from reprisal for using the grievance procedure.

17-6 Utilization of Grievance Procedure Prior to Personnel Rule XV: The Association agrees, that prior to appealing any matter that otherwise may be appealed in accordance with the procedure set forth in Rule XV of the Personnel Rules, all other grievance procedures must be followed. This includes grievances arising under this MOU and also those subject to Rule XV of the Personnel Rules. Failure to follow grievance procedure remedies in a timely manner shall constitute a waiver of the right to proceed with an appeal under Rule XV and shall constitute an abandonment of the dispute.

ARTICLE 18

Accordingly, it is agreed that the Association will support this MOU for its term and will not appear before any public bodies to seek change or improvement in any matter subject to the meet and confer process except by mutual agreement of the City and the Association.

ARTICLE 20

PRE-EMPTIVE LAWS

It is understood and agreed that this MOU is subject to all current and future applicable federal and state laws, City ordinances and federal and state regulations. If any part or provision of this MOU is in conflict or inconsistent with such above applicable laws, rules and regulations or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdictions, such part or provision shall be suspended and superseded by any such applicable law or regulations and the remainder of the MOU shall not be affected thereby.

ARTICLE 21
